“ARRL FIELD DAY AT THE COSMODOME”

Saturday - Sunday June 26-27 2004

Set-up Saturday 08:00

Contest Operation 14:00 - 14:00

Talk-in: 147.315 (+)

Beside the Cosmodome

Avenue de Cosmodome and
Highway 15 South Service Road Laval

The MARC will be holding Field Day in association with the Laurentides Laval Radio Club. This is a great opportunity to showcase amateur radio and experience the excitement and challenges of Field Day. We are looking for several operators who will come out and make this operation a success. Contact Jim Hay, VE2VE, at 514-697-7205 to confirm your participation and availability.

A WORD FROM THE PRESIDENT

Hello,

Well, summer is here and Field Day is upon us. We're joining the Laval-Laurentides Club this year at the Cosmodome. The details are elsewhere in this issue and I look forward to seeing you all there. Also we have a number of other events coming up - Canada Day on July 1,

Harmony Horse Trails on July 3, the Jay Challenge from July 23 to 25 and the APCO conference in August.

The APCO conference is a gathering of those involved in emergency communications and as such is important exposure for amateur radio. If you would be able to give a few hours, or more, during the 8th. to 12th. of August I would like to hear from

The MarcOgram is published nine times per year on the second to last Wednesday of September through June, excepting December by the Montreal Amateur Radio Club. Advertising and copy deadline is one week prior to publication.

Editor:
 Craig Brander, VE2YKG craigyul@total.net 514-488-5109

Annual fees are:
 General Members \$23.00
 Associate Members \$23.00
 White Cane Members... .. \$10.00
 Family Members (per family) \$30.00

The membership year runs from September 1 to August 31. Memberships received on or after June 1 commence immediately and extend through the subsequent membership year - covering a period of up to fifteen months.

Articles published in the MarcOgram may be reproduced providing credit is given to the original author and the Montreal Amateur Radio Club as the source.

The opinions expressed herein are, unless otherwise stated, solely those of the authors concerned, and not those of the Club, the Directors or members and do not represent the policy of the Club.

Repeaters

VE2BG 147.06 MHz (+)
 Owned and operated by the Montreal Amateur Radio Club. Located on the Pointe Claire water tower.

VE2RED 147.27 MHz (+)
 Owned and operated by the Montreal Amateur Radio Club. Located near Decarie and Cote St. Luc Road.

VE2RJS 449.975 MHz (-)
 Owned by the Montreal Amateur Radio Club and operated by the Cote St Luc Amateur Radio Association. Located near Decarie and Cote St. Luc Road.

The repeaters are open to all amateurs and VE2RED also offers a phone patch available to all amateurs during the day and evening.

Meetings of the Board of Directors

Meetings of the Board of Directors are open to any member to attend. Board meetings are held the first Wednesday of the month (Sept. to June) at 7:30 PM at the Montreal Association for the Blind, 7000 Sherbrooke St West. Should you wish to attend one of the meetings you are welcome. Just speak to one of the directors before-hand to make certain that the meeting has neither been cancelled, nor the location changed.

Club Activities Monthly Meetings

Club meetings are held at the St. Ignatius of Loyola Parish Church which is located at 4455 West Broadway (the corner of West Broadway and Terrebonne) in the N.D.G. District of Montreal. The meetings will be held in the Lounge which is the rearmost door on the south side of the building unless we have reason to hold it in the Parish Hall which is the first door on the South side of the building. An informal fleamarket and ragchew session starts at 19:30 with the formal meeting starting at 20:00. The STM Buses 51, 162 and 105 stop nearby.

29 Sept 2004 - TBA

27 Oct 2004 - (Tentative) Annual General Meeting

Radio Classes

Each year the MARC holds a basic radio course. Over the summer remember to promote amateur radio. When you run into someone who might be interested in joining amateur radio remind them about this course.

ARRL FIELD DAY 26 - 27 JUNE 2004

The MARC is working the ARRL Field Day in association with the Club Radio Amateur Laval-Laurentides. The location is the Cosmodome in Laval. If you are interested or want more details please contact Jim Hay at 514-697-7205 or jrhay@haya.qc.ca

Canada Day July 01

The club is running a demonstration amateur radio station as well as doing some communication duties during Canada Day celebrations at Pine Beach Park in Dorval. Set-up is 13h00 and operations start at 15h00 and run into the evening. For more details contact Jim Hay at 514-697-7205 or jrhay@HayA.qc.ca or Vern Ikeda at 684-7984.

IN CASE OF EMERGENCY

Montreal 911 Centre 514-280-2121
 Laval 911 Centre450-662-4240
 Longueuil 911 Centre450-646-8570
 Sûreté du Québec 310-4141
 Kahnawake Peace Keepers 450-632-6505

These numbers are for emergencies ONLY

you. Unfortunately I don't have all of the details but we will have a display station set up and will be manning that as well as the booth. We will be showing off the benefits of our hobby to police and fire chiefs, chief dispatchers, municipal and other politicians and others so we need to give a good impression. I expect that the exhibit area will open at about 10 AM each day and run until either 6 or 10 in the evening.

Not all of us can do everything but I hope that I will see each of you at least one event during the summer - remember that all of these events help to show the public what we can do.

Finally in August there will be another Open House at the CN Taschereau Yard and we will again be able to participate. This time I am assured that the music will be at a more reasonable level and so if you would like to help out with that event please let me know.

73 de Jim, VE2VE

- . . . -

FROM THE EDITOR'S DESK

As this is the last Marcogram before the summer break I want to wish you all a safe and fun summer. There are lots of opportunities to participate in amateur radio activities over the summer and I hope you will be take part in some way. Take the time to enjoy and promote our hobby. Perhaps we can create a new passion for amateur radio amongst some new people during the summer period. Vern and Jim look forward for an opportunity to fill the next radio class with eager students.

In the next few weeks there are some operating events that should be of interest to everybody. I look forward to as many of you as possible participating in the Quebec QSO party, ARRL Field Day, and the Canada Day contest.

73 de Craig, VE2YGK

FIRST ANNUAL QUEBEC QSO PARTY

Saturday June 19th is the inaugural edition of the Quebec QSO party running from 13h to 23h (local time). The official web site for the contest is at

<http://www.raqi.ca/qqp>

and contains rules in pdf format in both French and English.

All operators are invited to participate and help put the province on the air from north to south and east to west. There are 10 categories of competition of which 4 are for VE2 stations only; and all operators can participate from the most elaborate stations to the simplest FM mobile as there's a category for VHF-only operations (6 and 2 metres).

Logs are due 60 days after the contest; August 24th.

There will be certificates for top-three scores in each of the ten categories.

As this is the first year for the QQP, we certainly wish to spread the word as much as possible and have it become a huge success and a perennial staple for Quebec amateur radio operators, on the Saturday immediately before St-Jean-Baptiste.

73 de Luc D., VA2KSH

COMMUNITY SERVICE

JULY 1ST CANADA DAY CONTEST STATION

The MARC will be operating a Canada Field Station at Pine Beach Park in the Arrondissement of Dorval, (corner of Lakeshore Drive and Pine Beach Blvd.) as part of the

**RICK HANSEN WHEELS IN MOTION 2ND ANNUAL FUND RAISING
ALEXANDRE BOURGEAU PARK, POINTE CLAIRE**

Photo courtesy of Steven Faguy, VA2SMF.

On Sunday June 13 2004 the Montreal Amateur Radio Club with assistance from the VE2LZR group had the pleasure of helping the Rick Hansen Pointe Claire Wheels in Motion Wheel-a-thon.

From left to right, Frank VE2TOR, Vern VE2MBS, Carol VA2MOO, Stan VE2QXP, Ken VE2EXC, Ray VE2SJA, Ron VA2RJC, Steven VA2SMF and Howard Ikeda. Missing from the picture is Pierre VE2PPF.

Doug Webb asked me to pass on this message, "I would like to thank all the people that helped us make this a safe and successful event."

Thank you very much for your help and I expect that we will be asked to participate again next year.

Thanks again.
73 de Ray, VE2SJA

- . . . -

local Canada Day festivities. The event provides an opportunity to have a demonstration station for public viewing, do some contest operating, and provide some public safety communications during a few of the festivities up until the conclusion of the fireworks display. Set-up starts at 13:00 and takedown will be in the evening after the fireworks. This is always a entertaining event and you will get to see a great fireworks display. Contact Jim Hay at 514-697-7205 for details and to confirm your participation.

like to come and join the VE2LZR group in this event are invited to reply here so that we can get this very popular event on the go. We would like to add that this event has been a Ham favourite for the past 10 to 15 years (can't recall the exact number actually... as there are many of them).

You are welcome to advise any of your friends of this event, so they can come and join us and gain valuable operating experience...

HARMONY HORSE TRIALS NOTICE

Please note that the Harmony horse Trials cross country event will take place on Saturday, July the 3rd with an estimated start time (this means a bright and early start for us) at 8:00 am at the Beaulieu farms (old Windedge farms) in Ste-Justine-de-Newton. All of you who would

JAY CHALLENGE

The Jay Challenge is still on and I still need a few people for Saturday the 24th and Sunday the 25th of July.

This event is a large but easy event to cover, and it is good traffic passing exercise. I would like to see some of our new hams participate in this event.

So please send me an email at ve2sja@rac.ca if you would like to join us for this event and get some fresh air.

For more information please see:

<http://www.jaychallenge.com/>

ARRL FIELD DAY 26 - 27 JUNE 2004

The MARC is operating during the ARRL Field Day in association with the Club Radio Amateur Laval-Laurentides. The contest station will be set up at the Cosmodome in Laval, beside route 15. The site is accessible by Laval public transit, located near the Carrefour bus terminus. Set-up will start in the morning and we hope to have operations started at 14h00 Saturday afternoon. Talk-in is on 147.315 (+).

Take this opportunity to experience the fun and challenges of Field Day operating. Field Day is one of amateur radio's most important events. You'll have the opportunity to work with a bunch of great people, gain some contesting experience and be heard over North America. Whether you come for the week-end or visit for a few hours it will be time well spent. We would like as many people as possible to share in this operating opportunity and to ensure its success. Show your interest, and or if you want more information, by contacting Jim Hay at 514-697-7205 or jrhay@haya.qc.ca

- . . . -

AMATEURS TAKE PART IN DULLES SIMULATED EMERGENCY

Over a hundred US ham radio operators from seven counties in two Eastern states, provided emergency communications support for the Saturday, May 8th disaster drill at Dulles International Airport. The exercise consisted of a simulated plane crash and fire.

The aim of the session was to provide treatment and transport of 200 volunteer "victims" to area hospitals by helicopter, ambulance and bus. Larry Hughs, K3HE, the Public Information Officer for the ARRL's Virginia Section reported that the job of Amateur Radio was to provide communications between agencies at the simulated crash site, those providing patient transportation, and the participating hospitals. To accomplish this, hams from a number of the region's Amateur Radio Emergency Service groups set up several portable repeaters in and around the airport grounds. They also provided a live Amateur Television link between the site and the airport Operations Centre. This allowed airport management to monitor the progress of the drill. Hams also accompanied some of the officials at the simulated crash site to provide instant communications to other temporary operational areas. Others rode the buses that transported ambulatory victims to local hospitals. This gave planners voice communications and real-time position data via Automatic Position Reporting System. Amateur Radio Newline's Bill Pasternak WA6ITF said other radio amateurs were stationed at ten area hospitals. They helped to co-ordinate the arrival and departure of those simulating the victims of the crash.

(Thanks to Amateur Radio Newline)
