Guy Richard, VE2XTD, President of RAQI will be bringing us up-to-date on RAQI, its activities and plans for the future.

FROM THE (TEMPORARY) EDITOR'S DESK

The urgent need for an editor was demonstrated last month when we had no MarcOgram and a much smaller than usual number of members attended the meeting and heard Glenn MacDonnell, VE3XRA, the president of RAC talk about our national association. Without the MarcOgram we lose contact with our members so, please consider taking on the task. It can be as simple or involved as you wish to make it.

While I will try to continue producing a MarcOgram it will be quite bare-bones and may not be the best quality given my neuropathy.

So, please give it consideration—this is YOUR club.

ST. PATRICK'S PARADE

This year will see the 193rd consecutive St. Patrick's Parade in Montreal. Once again amateur radio operators will be assisting with communications. The parade is scheduled for Sunday March 20, 2016 regardless of the weather.

Two volunteers are still needed to help with providing position reports so please contact me if you would like to help.

INCOMING QSL CARD SERVICE

As has been mentioned in previous MarcOgrams we are resuming the club's service of having incoming QSL cards sent to the club for members to pick up at meetings. This is a service which we are offering to our members which both saves the individual members money as well as makes more efficient use of our collective resources.

IF you would like to avail yourself of this service please send an e-mail to qsl@marc.ca and we will add you to the list of cards that the incoming bureau sends to the club and bring them to the monthly meetings.
