FROM THE (TEMPORARY) EDITOR'S DESK

The search for an editor continues and we are hopeful that the position will be filled soon. Last month saw a good attendance in spite of the poor weather during which Guy Richard, VE2KTD, outlined the proposal to change RAQI into a federation of clubs.

The proposal is intended to give amateurs better representation and we did learn that Guy has been appointed the Quebec director for RAC

The weather seems to be improving and I look forward to seeing you at the meeting.

ST. PATRICK'S PARADE

The 193rd St. Patrick's Parade was held on March 20. Once again amateur radio operators assisted with communications. Thanks to Marc-André Gingras, VE2EVN, who helped in the radio room and Matt Salenius, VE2MTA and Steven Faguy, VA2SMF, who were on the street at the front and back of the parade.

This year's parade was well attended by spectators and went extremely well. I expect that the 194th. Parade will be held on March 19, 2017 for which we will again be looking for volunteers.
